

**Richard Y. Santo, P.E.**  
**Project Manager**

Key Personnel

**Education**

B.S., Civil Engineering – University of Hawaii at Manoa

**Professional Experience**

Community Planning & Engineering, Inc. – Project Manager

MM International, LLC – Project Manager/Civil Chief

Community Planning & Engineering, Inc. – Project Engineer

AMKOR A&E, Inc. – Civil Deputy Civil Chief

R.M. Towill Corporation – Civil Engineer

Island Survey, Inc. – Party Chief

**Career Summary**

Mr. Santo has over 30 years of experience and is knowledgeable in every aspect of civil engineering design. His past responsibilities have included analytical modeling of water, wastewater, drainage and sewer systems and the design and construction of the water treatment and storage systems and their associated structures. This work has required close communication with government agencies, in-house staff, designers, support personnel and associated interdisciplinary consultants. Over the course of his career, he has completed work for the U.S. Army Corps of Engineers, Pacific Air Forces (PACAF), the Honolulu Board of Water Supply, the Counties of Honolulu, Maui, and the Big Island and the State of Hawaii. He possesses extensive knowledge of governmental military requirements in civil planning and design with over a decade specializing in U.S. military projects for the U.S. Army Corps of Engineers.

Mr. Santo is a registered civil engineer with experience in site design including roads, grading, water, sewer and drainage civil works and land surveying. An energetic self-starter with analytical, organizational and problem-solving skills, he has completed a multitude of projects involving the land development designs. Mr. Santo is committed to the highest levels of professional and personal excellence, and is skilled at building effective, productive working relationships with clients and staff.
